

Name:

Date:

Using A Calendar.

Choose a month from this year's calendar and answer the questions.

Month: _____

- 1) How many days are there in this month?
- 2) How many Saturdays are in this month?
- 3) What date is the first Monday of the month?
- 4) What date is the last Friday of the month?
- 5) What day and date will it be 4 days after the 12th?
- 6) What day and date was it 5 days before the 9th?
- 7) Are there any special days this month (for example, birthdays, celebrations or important dates at school)? Write down up to 3 of these occasions in the table below:

Occasion	Day	Date
